Dear Mr. Digesere,

I would like to take this opportunity to express my sincerest thanks for your allowing Mr. John O' Hara to present at our Educational Partners meeting on February 24, 1999.

Mr. O'Hara's program was very well received by an audience comprised of secondary science teachers; school and college administrators as well as members of the science faculty of NJIT.

Mr. O'Hara's interest in the subject as well as his enthusiasm are contagious. You are fortunate to have such a spirited professional on your staff.

Thank you again.

Sincerely,

David Becker
