Mr. Louis Acocella
Superintendent of Schools
Kearny School District
100 Davis Avenue
Kearny, New Jersey 07032

Good morning!

Just a short note for granting permission to John O'Hara, physics teacher at Kearny High School to speak to Kean College teachers-in-training.

My students were in awe of Mr. O'Hara. His presentation provided a value-added component to instruction for teachers. He gave them incentive to pursue their goals to provide quality instruction for young people.

It was a pleasure to have Mr. O'Hara join my students. Thank you for your assistance in making the visit possible.

Sincerely,

M. Ann Walko
