Dear ~~Mr. O'Hara~~:

Thank you for your time, effort and dedication in presenting at the Third Annual School-to-Careers conference. Due to you and your students, this conference was a tremendous success.

The overall comments on the evaluation forms were extremely positive for all sessions. The participants stated that the speakers were prepared, informed and consistently presented information that will be useful in further implementing the School-to-Work system.

We appreciate your efforts in helping New Jersey continue to design a comprehensive, inclusive School-to-Careers system. We look forward to building further on the relationships developed at the conference. If we can be of any assistance to you, please feel free to call the School-to-Careers hotline at 609-984-7016.

Sincerely,

*Tom Henry*
