Dear Mr. O'Hara,

I would like to personally thank you for your participation in South Brunswick's Staff Development Day on October 22, 1999. I hope that you enjoyed working with South Brunswick staff members as much as they enjoyed working with you. The feedback forms indicated that your workshop, *Corporation Learning*, was well planned and executed. Many participants commented that one of the best aspects of the workshop was your enthusiasm and the variety of activities presented. Several of the participants wrote that they plan to use many of your ideas with the students in their classrooms.

Thank you again for contributing to the personal and professional growth of our staff and making this Staff Development Day a successful one!

Sincerely,

Andrea Orlando
Staff Developer
